Indicate Area(s) of Service in which you would like to work (rank in order of preference):

- Museum Docent**  
Responsible for a variety of visitor services for guests to the museum, including welcoming, responding to public inquiries, maintaining a secure environment and handling gift shop requests.
- Education Docent**  
Conduct in-house and off-site educational programs related to the history and natural history of Monroe County.
- Living History Interpreters**  
Perform respective century activities reflecting everyday life in the Museum and other sites. Generally, living history interpreters must wear period clothing that is approved by museum staff. They may work at special events or be involved in the education programs. Gardening, woodcraft, and handicraft skills are a plus.
- Exhibit/Collections**  
Assist staff with research, collection management, exhibit planning and fabrication, etc. Useful skills include carpentry, computers, photography, etc.
- Special Projects**  
Assist staff with special projects including set-up of special events and programs. These may involve physical labor, building trades, grounds maintenance, etc.
